The Achental cycle path opens up the entire Achental from Lake **Chiemsee to the Tyrolean border** . It runs relatively flat on well-developed, paved paths, away from roads. The around 70 km long, signposted tour can be started in all stage towns.

Cycling with "aha effect"

The "aha effect" is provided by audio stories that can be listened to via smartphone: Funny, curious or historical from all Achental communities.

The audio story stations are located here:

- Bergen : Direction Bergener Moos approximately at the level of the entrance to the recycling center
- Grabensütt : Driveway on the dam at Rothgraben
- Grassau : at the parking lot near Hindling (Kendlmühlfilzen)
- Rottau: at the kiosk opposite the Gasthof Messerschmied
- Staudach : at the foot bath next to the Tiroler Ache
- Overseas : at the Altmauer Steg
- Unterwiesen : at the Guggenbühlcher bakery on the dam at the Wössner Bach
- Schleching : at the hut next to the TI
- Marquartstein : at the new pedestrian bridge
