HIKING TOUR

Fun circular hiking trail with lots of information about the local flora and fauna. 00:35 h. Tittmoning.

### *Starting point*

**Wasservorstadt bus parking lot**

 *distance:*  
**2.4** kilometres

 *maximum altitude:*  
**381** meters

 *altitude difference:*  
**9** ascending

### *Location*

**Tittmoning**

 *duration:*  
**00:36** hours

 *minimum altitude:*  
**372** meters

 *altitude difference:*  
**8** descending

From the parking lot in Wasservorstadt follow the signs, which lead to the **wooden bridge over the Siechenbach** and point to the left before the dam.

Now you go into the **floodplain forest**, where the **start of the nature trail** and therefore the **first stop** is.

The well-signposted path provides **interesting information about the animals and plants** that live in this landscape.
