

Auenlehrpfad

HIKING TOUR

Fun circular hiking trail with lots of information about the local flora and fauna. 00:35 h. Tittmoning.

Starting point

Wasservorstadt bus parking lot

 *distance:*
2.4 kilometres

 *maximum altitude:*
382 meters

 *altitude difference:*
0 ascending

Location

Tittmoning

 *duration:*
00:00 hours

 *minimum altitude:*
370 meters

 *altitude difference:*
0 descending

From the parking lot in Wasservorstadt follow the signs, which lead to the **wooden bridge over the Siechenbach** and point to the left before the dam.

Now you go into the **floodplain forest**, where the **start of the nature trail** and therefore the **first stop** is.

The well-signposted path provides **interesting information about the animals and plants** that live in this landscape.
