

**Auenlehrpfad**

**HIKING TOUR**

Fun circular hiking trail with lots of information about the local flora and fauna. 00:35 h. Tittmoning.

**Starting point**  
**Wasservorstadt bus parking lot**

←→ **distance:**  
**2.4** kilometres

 **maximum altitude:**  
**382** meters

 **altitude difference:**  
o ascending

**Location**  
**Tittmoning**

 **duration:**  
**00:00** hours

 **minimum altitude:**  
**370** meters

 **altitude difference:**  
o descending

From the parking lot in Wasservorstadt follow the signs, which lead to the **wooden bridge over the Siechenbach** and point to the left before the dam.

Now you go into the **floodplain forest**, where the **start of the nature trail** and therefore the **first stop** is.

The well-signposted path provides **interesting information about the animals and plants** that live in this landscape.
