Centrally located in the village is the private brewery MC Wieninger . Thanks to its chimney, it can hardly be overlooked from afar. In addition to the **classic beers**, swing top bottle **specialties** and special beers are also brewed here. In the Brauereiladl you can buy a wide variety of beers as well as **beer-based souvenirs** .

From **Teisendorf** you cycle on to **Schönram** . Through Gumperting and Wimmer, past the eastern bank of the Surspeicher, you will reach your next destination. The last brewery on this tour awaits you, the "Private Landbrauerei Schönram" . Right next to the brewery is the brewery inn with beer garden, which invites you to linger. Finally, it goes slowly via Offenwang and Weildorf to Patting, from where you cycle back to **Freilassing** on the "Via Julia" long-distance cycle path.

Tip: Take a detour to the **Schönrammer Filz** and discover the **mysterious world of the high moors** on a short hike. Around 2 kilometers from the brewery is the impressive **moor landscape of the Schönrammer Filz** . Follow the "Moorlehrpfad" and learn interesting facts about **the felt and its history** .
