From the Blindau car park, we continue to the playground, on the left side of which we take the forest road that leads us to Klausenberg area. Here it is about 2 km flat until we turn left after a pasture gate to Weissenstein.

At the highest point of the Weissenstein we get a wonderful view of the Unterberg mountain before we lose a few meters in altitude and then turn left after a brook in the direction of the Straubinger Haus. Now it's time to pedal again. From here it is almost 400 meters in altitude to the Straubinger Haus/ Eggenalm, the destination of our tour.

Once at the top, a nice inn and the meadows around the chapel invite you to linger. A stunning mountain panorama rewards all the effort. We follow the forest road in a leisurely manner in the direction of Hindenburghütte, continue on the forest road in the direction of Nattersbergalm, along the serpentine down into the valley to Seegatterl. It goes back on the wonderful cycle path 7 km to Reit im Winkl.

Refreshment stops: Klausenbergalm, Straubinger Haus, Hindenburghütte

Attention: some forest roads are also hiking trails - please be considerate.
