We start at the car park, ride past the former campsite on the left and continue on the forest road. Passing the Hahnfilzen hut, the Winklmoos toll road is crossed shortly afterwards. We follow the signs in the direction of Winklmoos, which take us via the Roßalm to the Heutal/ Möseralm junction. We cycle left, follow the signs towards the Heutal valley and then continue on the tarred road towards Unken. At the district of Sonnberg/ Vordergöll we turn right to the Friedlwirt. This is where the forest road into the Unkenbach valley begins. After 3.6 km we reach an impressive mountain gorge, the Eiblklamm gorge. We continue along the cooling stream to the Schwarzbergklamm gorg. Now it gets steeper and after another 5.7 km we reach the Winklmoos-Alm again via the Tanzanger. Via the Roßalm you return to the starting point in Seegatterl.
