The **stroller-friendly hike** starts at the festival hall in Reit im Winkl and takes around 1 hour and 30 minutes.

Depending on your mood, you can choose **the 1.8-kilometer circular route with four stations** or the **4.3-kilometer adventure trail with 17 stations**. If you decide on the shorter variant, just turn left instead of right **after the forest stream**. If one is too long and the other too short for you, you can go straight ahead at this intersection and **pass nine stations** along the way.

The path with its **various exercises** is so much fun that the children will be delighted. **Whether climbing** over the balancing tree, walking through the **magicforest**, splashing in the magic water or wandering through the **stone labyrinth** : everyone, even the youngest ones, will find their favorite station to discover and linger here.
