109 ascending

 *altitude difference:*
110 descending

Bauschberg - Ischler Ache - Roitham - Pavolding - Bansee - Baderpoint - Bauschberg

02:11 a.m. Seeon.

The starting point of the Mühlenweg is **Ischl at the foot of the Bauschberg** . There is the **first mill** of the tour. At the end of the village, the path leads to the left **along the Ischler Ache** in the direction of Maisham. Finally, you hike along the Mühlenweg a **short distance to the right** onto St 2094. With the next turn to the left you arrive in Roitham.

From there it goes on to Pavolding. Here you have to turn north and walk along the Schwellgraben on the route of the former state road 2094 past the **Bansee to Grünweg** . It continues **south to Gasteig** and a short time later north-east to Baderpoint. At the end of your hike you finally get back to Ischl via the **Bauschberg** .
