The moor adventure path in Inzell is well developed, barrier-free and easy to navigate with a pram. Walking time about 1.5 hours.

From **the Schwarzberg car park**, turn right towards **Inzeller Moor**. This is where the **moor adventure trail** begins. **27 boards** provide clear information about nature in the moor. Divided into "**time travel**" and "**moor expedition**", walkers can experience the many **interactive stations**. **Cut a small peat dig yourself, test how much water the soil absorbs** or understand nature with the help of **rotating cubes and picture flaps** - fun and knowledge growth for young and old are pre-programmed here.

At the last station, turn right onto the field path, which takes you back to the starting point.
