The well-signposted path starts at the parking lot of the **Reit im Winkl** festival hall. From here you follow the steps uphill **to a playground** . You pass this on the right side up to a house. In front of this, the **path leads to the right into a forest** . Especially on hot summer days, it is now **very cool here in the gorge** . It continues to the end along the gorge. Signposts now point **towards the Zwirchenberg Alm** . After a break, hike back to the sign and **turn right** here. The path leads slightly uphill to a **fence** . This is **easy to cross** by stairs. From here there is a very good, yellow-marked path leading downwards. The hiker only has to cross the **Großer Steinbach** once and then follow the path to the left to the parking lot.

The hike leads past a **high moor, the Demel-Hauseralm and a pond** . So there is a lot to see and do here.
