From Schleching, this circular tour takes you around the Geigelstein. More than 900 meters in altitude have to be mastered over 48 kilometers, but the view of the Chiemgau Alps and the Bavarian mountains rewards every bead of sweat. The cycle tour begins in Schleching and leads via Hainbach and Sachrang to Rettenschöss and Walchsee. From there it goes on to Kössen and via the Achendamm back to the starting point in Schleching. Bike and swim: The Walchsee is ideal for this.
