Prien am Chiemsee train station - Prien Evangelical Church - Herrenberg - Chiemsee - Bernau - Bernauer Achen - Bergham - Kucheln - Tourist Information Grassau

The hike starts at the **train station in Prien** and first takes us to the town's **evangelical church**. Directly behind the church begins a landscape conservation area with a **beautiful forest**, which later turns into fields with a **view over the market town** and finally leads us **to the Herrenberg** with the "Old Villa". There we cross the noble residential area and come back to the fields at an **old farmhouse**, from where we have a **great view of the mountains**.

We continue through **moor forests**, mainly characterized by birches and oaks, until we reach the **shore of Lake Chiemsee**. Here a **fantastic view** awaits us and the opportunity to take a break before continuing through the moorland on the **banks of Lake Chiemsee** to Bernau. Here we first follow the **course of the Bernauer Achen**, then we continue **across fields up to Bergham** and from there into the forests above **Bernau and Rottau** until we finally reach Kuchten and then Grassau.
