The snowshoe hike starts at the hiking car park on the outskirts of Unterwössen. Through the fairytale snow-covered Kaltenbachtal it goes up to the Jochbergalmen at 1,264 meters. Once at the top, hikers are rewarded with a magnificent view over the Achental in the direction of the Kampenwand and Hochplatte. On the other side, the striking Hörndlwand rises up. Then it's on the forest path through the mountain forest back into the valley, where the Unterwössen restaurants invite you to stop for a bite to eat.
