

Tour durch die Chiemgauer Seenplatte

CYCLING TOUR

The big tour on the edge of the Chiemgau Alps is peppered with crisp climbs and descents that require full concentration.

Starting point

Tourist Info Waginger See

↔ *distance:*
141.6 kilometres

 *maximum altitude:*
679 meters

 *altitude difference:*
1328 ascending

Location

Waging by the lake

 *duration:*
06:15 hours

 *minimum altitude:*
462 meters

 *altitude difference:*
1328 descending

You cross a large number of vantage points, from which you have a wonderful view - on the one hand of the imposing mountain world - on the other hand of the diverse lake district with its countless bathing opportunities. It is logical that there are many places to stop for refreshments to tempt you to linger. The round can safely be classified as difficult. A good physical condition is the prerequisite for untroubled cycling pleasure.
